

# VASHON ISLAND HARP DAY CAMP

August 11, 2011

Why should the big kids have all the fun? By popular demand, **Suzuki harp students ages 5-9** will have their very own Harp DAY Camp on Vashon Island this summer. It will be a great opportunity for young harpists to participate in group playing, music games, crafts, and of course, free time to enjoy the beach and the meadow with their parents.

Starting in mid-morning, activities will take place in my Vashon Island music studio, and our group will enjoy a picnic lunch and dinner together. A festive performance will conclude a day of music making, and families can return home that evening. Harp Camp always creates invaluable momentum for music studies as kids go back to school in the fall. Early bird tuition is \$95 (register by June 1). Please join us for harp fun and inspiration this summer!
